- If eligible, the Co-pay Savings Program may be able to help your patients lower their co-pay to **as little as \$0** for their prescribed Gilead medication

Enrollment Process:

You can enroll your patient in the Gilead Advancing Access Co-pay Savings Program by visiting PrEP.AdvancingAccess.com or by **scanning** the QR code.

Reimbursement Considerations:

- If product is being acquired through a specialty pharmacy or in-house pharmacy, the pharmacy will process the co-pay card information and apply it to the patient's costs
- If product is being acquired through buy and bill, your office can submit a completed CMS 1500 form or CMS 1450 form and the explanation of benefits (EOB) through GileadAdvancingAccess.com/Copay-Coupon-Card/Upload-Page to begin the process of co-pay reimbursement

*Co-pay coupon support is available for commercially insured eligible patients only. Additional restrictions may apply. Subject to change; for full terms and conditions, visit www.GileadAdvancingAccess.com/Copay-Coupon-Card. This is not health insurance.
