

# Gilead Advancing Access® Patient Support Program

## Helping your patients access their prescribed Gilead medication.

We know that figuring out where to start can be complicated. Gilead Advancing Access is here to help. Give them a call and they can provide information to help your patient get started on their prescribed YEZTUGO® (lenacapavir).

## Program Offerings

### Dedicated Program Specialists

When you contact Advancing Access, a program specialist can provide you with information about the different acquisition pathways and coverage options.

### Benefits Investigations

Advancing Access can conduct a benefits investigation. This includes researching and verifying your patient's specific insurance benefits and coverage for YEZTUGO.

### Prior Authorization/Appeals Information

Advancing Access can provide information to determine prior authorization (PA) and appeals requirements and processes.

### Gilead Advancing Access Co-pay Savings Program

Assistance with medication and administration out-of-pocket costs for eligible, commercially insured individuals.

### Medication Assistance Program (MAP)

Eligible uninsured individuals may receive their Gilead medication free through the MAP. Help determine if your patient is eligible for free product assistance online at [PrEP.AdvancingAccess.com](https://PrEP.AdvancingAccess.com)

### Additional Coverage Support

Gilead Advancing Access can research additional coverage options to identify whether your patient may be eligible for additional financial assistance by a state pre-exposure prophylaxis drug assistance program, independent co-pay foundation, the Medicare Low-Income Subsidy, a state Medicaid program, or a federal or state health insurance exchange.

# Gilead Advancing Access<sup>®</sup> Co-pay Savings Program

- **The Gilead Advancing Access Co-pay Savings Program** assists eligible, commercially-insured patients with their co-pays\*
- Co-pay support will cover costs of the drug (oral and injection under either benefit) **up to \$8,000 a year**, including **up to \$100 per visit** for the injection administration of YEZTUGO<sup>®</sup> (lenacapavir)
- If eligible, the Co-pay Savings Program may be able to help your patients lower their co-pay to **as little as \$0**

## Enrollment Process:

You can enroll your patient in the Gilead Advancing Access Co-pay Savings Program by visiting **[PrEP.AdvancingAccess.com](https://PrEP.AdvancingAccess.com)** or by **scanning** the QR code

## Reimbursement Considerations:

- **If product is being acquired through a specialty pharmacy or in-house pharmacy**, the pharmacy will process the co-pay card information and apply it to the patient's costs
- **If product is being acquired through buy and bill**, your office will submit an Explanation of Benefits through **[PrEP.AdvancingAccess.com](https://PrEP.AdvancingAccess.com)** for co-pay reimbursement

\*Co-pay coupon support is available for commercially insured eligible patients only. Additional restrictions may apply. Subject to change; for full terms and conditions, visit [www.GileadAdvancingAccess.com/Copay-Coupon-Card](https://www.GileadAdvancingAccess.com/Copay-Coupon-Card). This is not health insurance. Additional information about how Gilead may use the patient's information can be found in Gilead's Privacy Statement and Consumer Health Data Privacy Policy available at [www.Gilead.com](https://www.Gilead.com). If you have any questions about the Gilead Advancing Access Co-pay Savings Program, please call 1-800-226-2056, Monday through Friday, 9 AM to 8 PM ET.

For any questions or help with the co-pay enrollment and adjudication process, call Gilead Advancing Access any time Monday through Friday, 9 AM to 8 PM ET at **1-800-226-2056** or leave a detailed message after-hours, and a dedicated program specialist will call you back.
